

## Award Winning Tenant

V2C nominated Elwyn Dunster of Bettws for the 'Ruth Radley Outstanding Achievement in Participation' TPAS Award. Attending an event in Cardiff recently, Elwyn was awarded second place in this category and was presented with his award by Gareth Hugh Roberts from Clwyd Alyn Housing Association.

Elwyn's engagement in his local community has grown considerably and his level of influence and responsibility has increased greatly with his evolving role. Elwyn became a member of the TRA 13 years ago and tackled many issues before becoming further involved by volunteering with the local Boys and Girls Club, sharing skills with the young people. Also a member of various V2C panels, Elwyn became a Community Councillor and is very much a community champion.

Speaking after the awards, Elwyn said: ***"I am proud to have been nominated alongside people who work extremely hard. I thought the awards were given to very deserving people, and I can't praise highly enough all of the worthy winners"***.
